19. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the parties regarding its subject matter and supersedes and replaces any and all prior agreements, understandings or arrangements between the parties, whether oral or in writing, with respect to the same. No representation, undertaking or promise shall be taken to have been given or be implied from anything said or written in negotiations between the parties prior to this Agreement except as expressly stated in this Agreement. Neither party shall have any remedy in respect of any untrue statement made by the other upon which that party relied in entering into this Agreement (unless such untrue statement was made fraudulently) and that party's only remedies shall be for breach of contract as provided in this Agreement.

20. THIRD PARTY RIGHTS

This Agreement is made for the benefit of the parties to it and is not intended to benefit, or be enforceable by, any other person and the Contracts (Rights of Third Parties) Act 1999 is expressly excluded.

21. VARIATION AND WAIVER

21.1 A variation of this Agreement shall be in writing and signed by or on behalf of both parties to this Agreement.

21.2   A waiver of any right under this Agreement is only effective if it is in writing and it applies only to the party to whom the waiver is addressed and the circumstances for which it is given. No waiver shall be implied by taking or failing to take any other action.

21.3   Unless specifically provided otherwise, rights arising under this Agreement are cumulative and do not exclude rights provided by law.

22.   SEVERANCE

22.1   If any provision (or part of a provision) of this Agreement is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other provisions shall remain in force.

22.2   If any invalid, unenforceable or illegal provision would be valid, enforceable or legal if some part of it were deleted, the provision shall apply with whatever modification is necessary to give effect to the commercial intention of the parties.

23.   GOVERNING LAW AND JURISDICTION

23.1   This Agreement and any disputes or claims arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) are governed by and construed in accordance with the law of England.

23.2   The parties irrevocably agree that the courts of England have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims).
